54 Mill Road, Collinsvale, Tas 7021

Directions:

Follow National Highway 1 to Berriedale Rd/C615 in Berriedale.

Take the Berriedale Rd/C615 exit from National Highway 1.

Continue on C615 through Berridale. Continue on Glenlusk Road (up, up, up the hill). Do not take the turn off to Molesworth and continue on Glenlusk Road (down the hill).

Drive through Collinsvale and across the single-lane bridge over Sorell Creek.

Turn right just after the bridge onto Mill Road.

Continue on Mill Road until the sealed road ends.

Our property is on the right, just after the start of the unsealed road. The house is not visible from the road and is down a steep, unsealed track.

Parking:

There is ample parking space at the house/ end of the drive. There are a couple of spots along the drive that are wide enough for cars to park.

You could even drive down the dirt track past the water tanks and park on the grassy knoll below the house.... not recommended for small cars.
